

**DESC FAET Plus with Matching SNAP 50_50 Funding 2020 RFP
Response to Questions**

- 1. Question or Clarification is needed. In the RFP on page 15 of 25, it states, Single applicant proposals are limited to twenty (25) pages. Is it twenty (20) pages or Is it twenty-five (25) pages? Those extra five pages could make all the differences. Please advise which is correct?**

RFP should read: Single applicant proposals are limited to twenty-five (25)-pages; double-spaced using a 12-point font unless stated otherwise in the preparation directions.

- 2. If a grantee does not currently have access to OSMIS will that and related staff training be provided?**

Yes, OSMIS access logins will be provided to awarded FAE&T Plus provider staff and training will be provided to those staff by the State of Michigan.

- 3. On page 9 of the RFP it is noted that DESC intends to award non federal funds through this RFP which can serve as a portion of the non-federal match. Can you provide guidance on the projected amount and how or if it should be included in the budget? Non-federal funds that serve as the non-federal match is provided to NEW FAE&T Plus providers as start up funds for the FAE&T Plus program. Estimated amount of \$25,000 - \$50,000.**
